CLASSIC

The Classic design uses Georgian squares to provide a traditional look to any home. Each square is precision pressed in manufacturing for quality and strength. The Classic design is available in woodgrain finish.

CAPRICE

The Caprice design incorporates rectangular embossments for a distinctive and elegant style. Available in woodgrain finish, the Caprice design suits both modern and more traditional homes.

CLEAN

The Clean design uses clean, sharp lines and a textured finish to perfectly blend with rendered homes. Available in woodgrain finish, the Clean design is the right choice if you are looking for a door to compliment the façade of your home.

CONTEMPORARY

The Contemporary design creates a timber planked look, made from low maintenance Colorbond® steel and in woodgrain finish. Horizontal "V" grooves create a sleek and contemporary look, providing the perfect design for modern homes.

WINDOW STYLES

Windows are a stylish option to add to the top panel of your doors and allow natural light to filter into your garage. Available for Classic and Caprice style doors.

Note: Windows are not available for TIMBAGRAIN™ Classic-Cedar™ and TIMBAGRAIN™ Caoba® door colours.

- CSI® Classic Garage Doors, in normal residential use, are covered by a 12 month warranty for all components and associated labour, conditional on proper care, as recommended in the door's handbook. Full details of the warranty are available from www.csiclassicgd.com.au. 12 month warranty only applies to doors purchased and installed in Australia or New Zealand. Warranty is only valid if warranty conditions are met.
- For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your CSI Doors® Dealer for advice.
- The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications are subject to change without notice.
- We strongly recommend the use of Woodgrain finish on all steel sectional doors. Please consult CSI Doors® or a CSI Doors® dealer for more information.
- Prefixed Trademarks are trademarks of DuluxGroup.
- While BlueScope Steel Limited is our preferred supplier, steel products from other sources may also be used.
- Window frame / trim colour may vary slightly to door colour.
- Details correct at date of publication.
